PRESIDENT'S MESSAGE

Spring is here! Now is the time to get all the cobwebs out from winter. Our spring clean-up day is scheduled for April 11 from 10-Noon with lunch being served at the clubhouse at noon. Please plan to clean up on your property, decks, patios etc. You are not required to clean up the common area. Please put bags out for the staff to pick up.

We are getting many complaints for dogs running loose and not picking up after your pet. Please be courteous and do this. Animal control will be called and you may be fined by the association for not taking care of your pets. Enjoy the spring weather.

Until next time. Linda Siedhoff, President

SUPERINTENDENT'S REPORT

(Date of report was March 17, 2026)

Spring is getting close with a few teasers already. We are happy the last storm and blizzard missed us, but of course could not avoid the wind! Another typical March, with temps all over the place. There is still a lot of clean-ups to do before we start mowing. We will discuss the Wellington Greens Spring cleanup at our March board meeting, so please read the next newsletter for a date. We have already changed cups once and mowed greens twice. The greens will be verticut and topdressed after we aerate on April 13th. We are also looking to charge the irrigation system earlier than usual. Our 3-way fertilizer with pre-emergent and grub control will most likely be applied towards the end of April if temps remain high. Let me know if you have any questions or concerns.

Thank You, Nick Horvath WG Grounds Superintendent 402-440-1067
